

American Baptist Churches Great Rivers Region

FLOW ENDOWMENT

In partnership with
American Baptist
FOUNDATION

ABC of Great Rivers Region

As a region, churches, and individuals, our task is to let God's love flow to us and through us as we seek to be His presence in our communities and the world.

FLOW Endowment

The *FLOW Endowment* was established in 2017 – making a gift will ensure that **ABCGRR** continues to expand and enhance ministries for future generations. The ministries and missions are supported through these funds:

- **Youth & Children Fund**
- **Pastoral Fund**
- **Congregation Fund**
- **Mission Fund**

A small portion of each gift will go towards **ABCGRR's** current needs and expenses, to help offset the costs of delivering these services.

Youth & Children

ABC Great Rivers is here to serve and support our youth and young adults. By teaching them about God's love, we hope they will become active disciples for Christ.

The *Youth & Children Fund* will provide support in the following key areas.

- Youth Leadership Training
- Mentoring & Networking
- Scholarships
- Youth Programming

We call on you to help us support and develop the future leaders of tomorrow!

Pastoral Fund

As pastors, godly men and women are called to come alongside the flock and be encouraging, teachers, and living examples of what it means to be a committed follower of Jesus Christ. **ABC Great Rivers** is committed to supporting these shepherds that God has raised up.

The **Pastoral Fund** will provide help to enable the following:

- Leadership & Development Training
- Education & Credentialing
- Pastoral & Interim Ministry Placement
- Spiritual & Financial Health
- Networking

Supporting our pastors is vital to the success of ministry because they provide the leadership and guidance needed for those they serve.

Congregational Fund

Our congregations have a common mission: to reach people for the Kingdom of God and develop disciples, who in turn will bring others into God's Kingdom. As a regional partner *ABC Great Rivers* is committed to partnering with our local congregations to help them grow and mature.

The **Congregational Fund** will provide support in the following key areas.

- Evangelism & Discipleship Training
- Pastoral Searches
- Stewardship Development
- Conflict Mediation

As this fund grows it will allow our congregational partners to remain healthy and vibrant.

Mission Fund

To further reveal Jesus through education, humanitarian services, and Baptist leadership, **ABC Great Rivers** has created this fund to help spread the Baptist mission across the world.

The **Mission Fund** will provide support in the following key areas.

- Community Development Project
- Training & Education
- Vocational Development
- Church Planting
- Disaster Relief

Supporting these endeavors will allow Christ's witness to be evident at home and around the globe.

Ways to Give

Your financial commitment is important for the initiatives supported by the *FLOW Endowment*. **American Baptist Churches of Great River Regions** has teamed up with *American Baptist Foundation (ABF)* to provide creative “planned giving” options.

In addition to cash gifts, we strongly encourage other ways to give, and embrace:

- Gifts through Wills and Bequests
- Gifts of Stock
- Life Insurance designations
- Real Estate and Other Property
- Charitable Trusts and Gift Annuities

Together, we can find the best gift plan to benefit you, your loved ones and *the FLOW Endowment* mission and ministries.

In Appreciation

As our way of saying thank you, supporters of the *FLOW Endowment* will be included in the *Great Rivers Flow Legacy Society*. If you desire that your gift be anonymous, please let us know.
