"At its core, it is not the number of activities a church is involved in that defines success, but whether those activities result in accomplishing God's mission for His church."

American Baptist Churches of Ohio (ABC/OH) assist local and regional congregations. In an effort to provide long-term financial sustainability, *Friends of the Region* established the Rise Up and Build fund to support key ministry initiatives including:

- Congregational development consulting, coaching and training
- Pastoral and Family Care
- Crisis counseling to congregations and pastors
- Promoting the congregational shared mission
- Congregational resources, cover/fund stipends & expenses

Your financial commitment is important to the support of these ministries. In addition to cash gifts, other ways to give include:

- Wills (Bequests)
- Gift of Stock
- Life Insurance
- Real Estate & Other Property
- Charitable Trusts & Gift Annuities
